Motivation

Has a deep love for gaming, been gaming with his brothers since he was little, has a very competitive playstyle, plays mainly first person shooters, likes playing to win and hates playing with randoms. Has a lot of free time to play and improve. Also like to watch some of his favorite twitch streamers

Pain Points

Struggles to find a place where he can connect with people but also learn from others while also helping people.

Core Needs

Wants a place where he can connect with other gamers and share his game knowledge but also get help from more experienced users, but also want to connect.
